CASE Number 19-2004

Date: October 17, 2019

I received ORDER (Case No. 192004), dismissal, relative to my neglect to respond in accordance with the United States Court of Appeal for veterans claims dated October 10, 2019. I was waiting to hear FROM THE COURT, thinking I was going to hear its verdict; rather, it was to my disappointment that I am being informed of my missing the scheduled court 's deadline for my response.

It has been a season of irregularities (1987 – present). I was informed by (**Record of Veteran Affairs, Winston Salem, North Carolina**) that the Court had access to my records, as well as North Carolina Congressman, G.K. Butterfield; therefore, annulling my need to respond; I was just to wait until the Court's final evaluation and response.

As a veteran, my medical track is seasoned with life's long term of ailments, eyes, feet, legs, arthritis, teeth, depression, and lingering Case 19-2004 problems. The truth of the matter; I entered military service not completely recovered from major surgery on both lower jaws. Nevertheless, this is not too much to pay for the freedom of United States of America's citizenship.

Finally, I will the opportunity to appear in person before the Appellant. I am sure that MY DENIAL IS NOT INTENTIONAL; RATHER, THERE IS AS ERROR IN DOCUMENTATION OF MY RECORD. I have suffered much from Champ Howard and 71st ord. Group, South Korea because of the undocumented frost bit while serving Guard duties. As sure as I am alive, I was treated at CP Howard Disp. APO96270. My health record attests to this fact, as well as, my missing tract record attest to my struggles – Camp Howard Disp96270: eyes, feet, throat, legs colds, fevers and hands frost bit.

The question remains: HOW THEY, 71st Ordnance Group Cp and Howard Disp. APO96270 manage to MISSED MY FROZEN FEET AND HANDS? I DO NOT KNOW!
