UNITED STATES COURT OF APPEALS FOR VETERANS CLAIMS

No. 19-4419

CHARLIE L. BUCKNER,

APPELLANT,

v.

ROBERT L. WILKIE,
SECRETARY OF VETERANS AFFAIRS,

APPELLEE.

Before PIETSCH, ALLEN, and FALVEY, *Judges*.

ORDER

*Note: Pursuant to U.S. Vet. App. R. 30(a),
this action may not be cited as precedent.*

In a May 15, 2020, memorandum decision, the Court affirmed a June 13, 2019, Board of Veterans' Appeals decision denying a motion to revise on the basis of clear and unmistakable error a December 1973 Board decision that had denied service connection for mitral insufficiency. On May 29, 2020, the appellant filed a timely motion for reconsideration or, in the alternative, panel review of the Court's decision. The motion for a decision by a panel will be granted.

Based on review of the pleadings and the record of proceedings, it is the decision of the panel that the appellant fails to demonstrate that 1) the single-judge memorandum decision overlooked or misunderstood a fact or point of law prejudicial to the outcome of the appeal, 2) there is any conflict with precedential decisions of the Court, or 3) the appeal otherwise raises an issue warranting a precedential decision. U.S. VET. APP. R. 35(e); *see also Frankel v. Derwinski*, 1 Vet.App. 23, 25-26 (1990).

Absent further motion by the parties or order by the Court, judgment will enter on the underlying single-judge decision in accordance with Rules 35 and 36 of the Court's Rules of Practice and Procedure.

Upon consideration of the foregoing, it is

ORDERED, by the single judge, that the motion for reconsideration is denied. It is further

ORDERED, by the panel, that the motion for panel decision is granted. It is further

ORDERED, by the panel, that the single-judge decision remains the decision of the Court.

DATED: June 24, 2020

PER CURIAM.
