APPELLANT'S MOTION TO POSTPONE ORAL ARGUMENT

Appellant, Sherry Craig-Davidson, hereby moves this Court pursuant to Rule 34(d) for an order postponing oral argument in this matter. On December 20, 2022, an order was entered in the case setting oral argument before a panel for February 24, 2022.

Good cause exists for this request. Counsel for Appellant has a long-standing family commitment that conflicts with the date set for oral argument. Neither party to this action has previously sought a postponement of this argument.

Counsel for the Secretary has advised that the Secretary does not oppose this request. Counsel jointly request that the argument be re-set for a date between March 1, 2022 and March 19, 2022, if there is a date in that range that works for the Court.

For the foregoing reasons, Ms. Craig-Davidson and the undersigned counsel request this Court postpone oral argument and re-set it for a date between March 1 and March 19, 2022, or the next available date thereafter on the Court's calendar.

Respectfully submitted this 28th day of December, 2021.
