UNITED STATES COURT OF APPEALS FOR VETERANS CLAIMS

No. 22-3042

GARY DEAN JACKSON,

APPELLANT,

v.

DENIS McDONOUGH,
SECRETARY OF VETERANS AFFAIRS,

APPELLEE.

Before ALLEN, FALVEY, and LAURER, *Judges*.

ORDER

*Note: Pursuant to U.S. Vet. App. R. 30(a),
this action may not be cited as precedent.*

This matter is pending before a panel of this Court with oral argument to be held at Notre Dame Law School on November 9, 2023. It is with this argument in mind that the Court notes that it is most interested in hearing about how VA must consider the use of medication when rating diabetes under 38 C.F.R. § 4.119, Diagnostic Code 7913.

This order is not meant to limit the parties from advancing other arguments. Instead, we mean to facilitate the parties' preparation for oral argument to best aid the Court in our resolution of this matter.

Upon consideration of the above, it is

ORDERED that counsel be prepared to discuss the above issue at oral argument along with all other issues presented by this appeal.

DATED: October 6, 2023

PER CURIAM.
