Motion For Leave To File Amended Reply

I filed several sets of exhibits totaling 182 pages. I missed redacting three social security numbers. I have contacted the three individuals to apologize and let them know that their Social Security numbers were exposed on the public docket. I have offered to pay for a credit monitoring service for them. And I need to get their sensitive data off the public docket.

Thus, I move for leave to file an amended June 14, 2021, reply. I am filing an amended reply with the proper redactions simultaneously with this motion for leave. Nothing in the filing is changed from the original except for the redactions. The Secretary is unopposed to this motion.
