To Whom It May Concern:

### Summary of the Case

You and your appointed attorney or agent properly filed a valid direct-pay fee agreement with the Department of Veterans Affairs (VA), requesting direct payment of 20% of your award of past-due benefits to the attorney/agent.

In a Board of Veterans' Appeals Decision dated July 20, 2021, benefits were awarded for the following issue:

- Service connection for dermatitis is granted with an evaluation of 10 percent effective June 21, 2016.

The amount of past-due benefits, which is computed from the effective date of the award through the date of the decision, is \$12,139.01. The amount withheld for fees is \$2,427.80, which is 20% of past due benefits.

### Requirements for Direct Payment of Fees

On or after February 19, 2019, agents or attorneys may generally charge for representation provided to claimants or appellants pursuing certain reviews of decisions by agencies of original jurisdiction. These reviews may include supplemental claims, higher-level reviews, notices of disagreement (NODs), or clear and unmistakable errors. For the provisions relating to the payment of fees, see 38 U.S.C. 5904 and 38 CFR 14.636.

Before February 19, 2019, fees were only payable for representation after an NOD was filed with respect to a decision.

For NODs filed on or before June 19, 2007, agents and attorneys could charge only for services provided after both of the following additional conditions have been met:

- The Board of Veterans' Appeals (BVA) promulgated a final decision, and

- The attorney or agent was retained not later than one year following the date of that BVA decision. This condition will be met with respect to all successor attorneys or agents acting in the continuous prosecution of the same matter if the predecessor was hired within the required timeframe. However, this limitation does not apply if the agent or attorney was retained while the case was pending before a court.

If a fee agreement specifies that fees are to be paid directly by VA to an agent or attorney from past due benefits, the following requirements must be met for direct payment of fees:

- The total fee payable cannot exceed 20 percent of past-due benefits.
- The Fee must be contingent on a favorable outcome, and
- The award of past-due benefits must result in a cash payment to the claimant.

### **What We Decided and Why**

All of the requirements for direct payment of fees have been met. As a result, VA will pay the attorney or agent fees of \$2,327.80. VA will deduct an assessment of \$100.00 from the fees, per 38 U.S.C 5904(a)(6).

### **What You Should Do If You Disagree With Our Decision**
